Richard Balest plucker1@verizon.net, 508-520-3936, Franklin, MA

Steve Skop s.skop@comcast.net, 508-341-7958, Millis, MA

I would like to stress the importance of private lessons. One on one help is very beneficial to the music student, as it gives them confidence in their skills, and helps to make their experience more enjoyable.

*Each year the Franklin Music Boosters offer **music lesson scholarships** to 2 students from each of the musical ensembles. Students are selected based on a written essay by the student. More information coming soon!
